QUALITY ASSURANCE
IN VETERINARY HIGHER
EDUCATION:
A MODEL OF
INTEGRATION BETWEEN
THE EUROPEAN AND THE
NATIONAL QA SYSTEM

TUESDAY, 20 DECEMBER 2016

Scuola di Agraria e Medicina Veterinaria
Aula Magna
Via Tolara di Sopra 50, Ozzano Emilia (BO)

Monica Forni is Member of the Bologna University Quality Assurance Board (PQA-DID) and Quality Assurance expert employed in the evaluation of the Veterinary Medicine degree programmes and establishments for veterinary education. Since 2015 she is Member of the Committee on Internal Quality Assessment (CIQA) of the EAEVE. Prof. Forni graduated in Biology at the University of Bologna. Currently, she is an associate professor in Veterinary Physiology and the Head of the Bioscience and Biotechnology Service of the Department of Veterinary Medical Sciences (DIMEVET).

Maria Kelo is Director of the European Association for Quality Assurance in Higher Education (ENQA). Together with the President, dr. Kelo represents ENQA in the E4 group and in the Bologna Follow-Up Group. Dr. Kelo graduated at the University College London and the London School of Economics and Political Science. Before joining ENQA in 2011, dr. Kelo was actively involved in the field of international higher education, producing a number of project and studies mainly related to transnational education, students mobility, student services, human resources management and promotion of European higher education.

Pierre Lekeux is the Director of the European System of Evaluation of Veterinary Training (ESEVT), managed by the European Association of Establishments for Veterinary Education (EAEVE). Prof. Lekeux coordinates the entire visitation process aimed to verify if the professional qualifications provided by the veterinary educational Establishments are compliant with the relevant EU Directives and the Standards and Guidelines for Quality Assurance in the European Higher Education Area. Prof. Lekeux graduated in Veterinary Medicine at the University of Liege, got his PhD from the University of Utrecht and is Diplomate of the European College of Veterinary Pharmacology & Toxicology. He has been Head of Department, Dean, member of the Executive Committee of EAEVE and member of the European Committee on Veterinary Education.

Paolo Miccoli is member of the Executive Board of the "Agenzia Nazionale di Valutazione del Sistema Universitario e della Ricerca" (ANVUR), the Italian agency for the evaluation of Quality Assurance in research and higher education. Prof. Miccoli graduated in Medicine and Surgery at the University of Pisa (I). He has been President of the European Society of Endocrine Surgeons, Vice President of the Association of French-speaking Endocrine Surgery, member of the executive committee of the International Association of Endocrine Surgery and co-founder of the Asian Institute for Thyroid Cancer.
